Dear Company Representative:

We respectfully request your good office to accept the Bachelor of Science in Computer Applications student identified above for supervised on-the-job training at your company, subject to your acceptance and the university's deployment requirements.

The proposed dates and required hours are listed above. The program aims to connect classroom learning with actual workplace practice, develop relevant professional skills, and provide supervised experience in the student's field of specialization.

Thank you for considering this request.

Respectfully yours,

ASST. PROF. EXCEL VAN O. JONDONERO
SOJT Coordinator, Computer Applications Department

ASST. PROF. PAUL RODOLF P. CASTOR
Department Chairperson, Computer Applications Department
